

KNOX COLLEGE

Department of Mathematics

Junod Research Award

Application for 2023

This is the official application for the 2023 Junod research award in mathematics, due **November 6, 2023**. The \$1200 award can be used as you see fit. A complete application will include this form, an unofficial Knox College transcript, and a complete project proposal. It is best to discuss your proposal with the faculty member you wish to mentor you.

Student Name and Email _____

Class (FR, SO, JR, SR) _____ Cumulative Math GPA _____

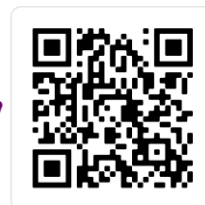

Faculty Mentor _____

Project Title _____

Faculty Signature _____

Please be sure to attach your unofficial transcript and complete project proposal to this application. Give this to your research mentor or to another member of the mathematics faculty.
