

Math Talks Award

Application

This is the application for the 2022 Math Talks summer research award. The \$2500 award can be used as you see fit. A complete application will include this form, an unofficial Knox College transcript, and a project proposal. It is best to discuss your proposal with the faculty member you wish to mentor you.

Student Name:

Class (FR, SO, JR, SR):

Cumulative GPA:

Faculty mentor:

Project title:

Signature of faculty mentor:

Please make sure to attach an unofficial transcript and a project proposal to this application. Give this to your research mentor or to another member of the mathematics faculty at Knox College. **The deadline is May 8, 2022.**
